### Article 1.—CERTIFICATE REGULATIONS

**91-1-200. Definition of terms.** (a) “Accomplished teaching license” means a license issued to an individual who has successfully completed an advanced performance assessment designated by the state board for the purpose of identifying accomplished teaching, or who has achieved national board certification.

(b) “Accredited experience” means teaching experience gained, under contract, in a school accredited by the state board or a comparable agency in another state while the teacher holds an endorsement valid for the specific assignment. A minimum of 90 consecutive days of substitute teaching in the endorsement area of academic preparation and in the same teaching position shall constitute accredited experience. Other substitute teaching experiences shall not constitute accredited experience.

(c) “All levels” means early childhood through late adolescence and adulthood (prekindergarten through grade 12).

(d) “Alternative teacher education program” means a program to prepare persons to teach by a means other than the traditional, college-based, approved program.

(e) “Approved program” means a teacher education program approved by the state board for content and pedagogy.

(f) “Content assessment” means an assessment designated by the state board to measure subject matter knowledge for an endorsement.

(g) “Deficiency plan” means a detailed schedule of instruction from an approved program that, if completed, will qualify an individual for full en-

dorsement in a subject. The individual who is to receive the instruction and a representative of the institution at which the instruction is to be given shall sign each deficiency plan.

(h) “Duplication of a license” means the issuance of a license to replace a license that is lost or destroyed.

(i) “Emergency substitute teaching license” means a license issued to an individual that allows access to practice as a substitute teacher as defined by S.B.R. 91-31-34(b).

(j) “Endorsement” means the legend printed on each license that identifies the subject in which an individual has specialization.

(k) “Evidence-centered assessment” means an assessment designated by the state board to measure an individual’s knowledge of subject matter and ability to implement the knowledge and skills of a teacher leader.

(l) “Exchange license” means a two-year license issued under the exchange license agreement.

(m) “Initial license” means the first license that an individual holds to begin practice while preparing for the professional license.

(n) “Institutional verification” means acknowledgment that an individual has successfully completed a program within an accredited unit.

(o) “Interim alternative license” means a license that allows temporary access to practice to an individual who has completed an alternative teacher education program and been issued a license in another state.

(p) “Licensure” means the granting of access to practice teaching, administration, or school services in Kansas public schools.

(q) “Local education agency and “LEA” mean any governmental agency authorized or required by state law to provide education to children, including each unified school district, special education cooperative, school district interlocal, state school, and school institution.

(r) “Mentor” means a teacher or administrator who holds a professional license assigned by an LEA to provide support, modeling, and conferencing to a beginning professional.

(s) “Official transcript” means a student record that includes grades and credit hours earned and that is affixed with the official seal of the college and the signature of the registrar.

(t) “One year of teaching experience” means accredited experience that constitutes one-half time or more in one school year, while under contract.

(u) “Pedagogical assessment” means an assessment designated by the state board to measure teaching knowledge.

(v) “Performance assessment” means an assessment designated by the state board to measure an individual’s ability to implement the knowledge and skills of a teacher, administrator, or school services provider.

(w) “Prekindergarten” means a program for children three and four years old.

(x) “Professional license” means a license issued to an individual based on successful completion of a performance assessment and maintained by professional development.

(y) “Provisional school specialist endorsement license” means a license issued to an individual that allows access to practice as a school specialist while the individual is in the process of completing requirements for the school specialist license.

(z) “Provisional teaching endorsement license” means a license issued to an individual that allows access to practice in an endorsement area while the individual is in the process of completing requirements for that endorsement.

(aa) “Recent credit or recent experience” means credit or experience earned during the six-year period immediately preceding the filing of an application.

(bb) “Restricted teaching license” means a license that allows an individual limited access to practice under a special arrangement among the individual, a Kansas teacher education institution, and an LEA.

(cc) “Standards board” means the teaching and

school administration professional standards advisory board.

(dd) “State board” means the state board of education.

(ee) “Subject” means a specific teaching area within a general instructional field.

(ff) “Substitute teaching license” means a license issued to an individual that allows access to practice as a substitute as defined in S.B.R. 91-31-34(b).

(gg) “Teacher education institution” means a college or university that has an accredited administrative unit for the purpose of preparing teachers.

(hh) “Transitional license” means a license that allows temporary access to practice to an individual who held a license but who does not meet recent credit, recent experience, or renewal requirements to qualify for an initial or professional license.

(ii) “Valid credit” and “credit” mean a semester hour of credit earned in, or validated by, a college or university that is on the accredited list maintained by the state board.

(jj) “Visiting scholar teaching license” means a license that allows an individual who has documented exceptional talent or outstanding distinction in a particular subject area temporary, limited access to practice. (Authorized by and implementing Article 6, Section 2(a) of the Kansas Constitution; effective July 1, 2003; amended July 1, 2003; amended July 18, 2008; amended Aug. 28, 2009; amended Aug. 12, 2011.)

(C) verification of a minimum of three years of full-time professional counseling or librarian experience;

(D) verification of a minimum 3.25 cumulative grade point average on a 4.0 scale in graduate coursework; and

(E) documentation that the following conditions are met:

(i) The local education agency has made reasonable attempts to locate and hire a licensed person for the restricted school specialist position that the applicant is to fill;

(ii) the local education agency will employ the applicant if the license is issued;

(iii) the local education agency has an agreement with an experienced school specialist in the same content area to serve as a mentor for the applicant;

(iv) the local educational agency will provide, within the first six weeks of employment, an orientation or induction program for the applicant;

(v) the local education agency has collaborated with a Kansas teacher education institution regarding the program that the applicant will pursue to obtain full licensure; and

(vi) the local education agency will provide release time for the candidate to work with the mentor and to work on progress toward program completion; and

(F) a statement from the licensing officer of a Kansas teacher education institution attesting to the following:

(i) The applicant has on file a written plan that will qualify the applicant for full licensure in the school specialist content area for which the restricted license is sought;

(ii) the plan for program completion can be completed in not more than three years and contains a specific designation of the coursework that is to be completed each year;

(iii) the program provided to the applicant will meet the institution's approved professional education standards;

(iv) the institution will provide the applicant with onsite support; and

(v) the institution has collaborated with the employing local education agency concerning the applicant's program.

(2) Each local education agency that employs a person holding a restricted school specialist license shall submit to the commissioner of education a progress report before July 1 of each year during the effective period of the restricted school specialist license. This progress report shall include the following:

(A) Verification that the applicant has attained passing scores on the content assessment required by the state board of education by the end of the first year;

(B) verification from the chief administrative officer of the employing local education agency attesting to the following:

(i) The applicant's contract will be renewed; and

(ii) the local education agency will continue to assign an experienced mentor teacher to the applicant and provide accommodations to the applicant to work with the mentor teacher and to complete the applicant's plan for full licensure;

(C) a statement from the licensing officer of the applicant's teacher education institution attesting to the following:

(i) The applicant has made appropriate progress toward completion of the applicant's plan to qualify for full licensure; and

(ii) the institution will continue to support the applicant, on-site, as necessary; and

(D) an official transcript verifying that the applicant has attained at least a 3.25 GPA on a 4.0 scale in the courses specified in the applicant's plan for full licensure.

(3) Each applicant who is unable to provide any verification or statement required in paragraph (2) of this subsection shall no longer be eligible to hold a restricted school specialist license and shall return any previously issued restricted school specialist license to the state board.

(j) Transitional license.

(1) Each applicant for a transitional license shall submit to the state board the following:

(A) Verification of meeting the requirements for an initial or professional license as provided in S.B.R. 91-1-203(a) or (b) or S.B.R. 91-1-204(c), except for recent credit or recent experience; or

(B) verification of having previously held an initial or professional Kansas license or certificate that has been expired for six months or longer;

(C) an application for a transitional license; and

(D) the licensure fee.

(2) Any person who holds a transitional license issued under paragraph (j)(1)(A) may upgrade that

license to an initial or professional license by submitting to the state board the following:

(A) Verification of accredited experience during the term of the transitional license; or

(B) (i) Verification of having successfully completed eight hours of recent credit; or

(ii) verification of meeting the requirements prescribed in S.B.R. 91-1-205(b)(3)(C), if the person meets the requirements of S.B.R. 91-1-206 and S.B.R. 91-1-215 through 219.

(3) Any person who holds a transitional license issued under paragraph (j)(1)(B) may upgrade that license to an initial or professional license by submitting to the state board verification of meeting the requirements prescribed in S.B.R. 91-1-205(a)(2) or (b).

(k) Provisional teaching endorsement license.

(1) Each applicant shall hold a currently valid initial or professional license at any level and shall submit to the state board the following:

(A) Verification of completion of at least 50 percent of an approved teacher education program in the requested endorsement field;

(B) a deficiency plan to complete the approved program requirements from the licensing officer of a teacher education institution;

(C) verification of employment and assignment to teach in the provisional endorsement area;

(D) an application for a provisional endorsement teaching license; and

(E) the licensure fee.

(i) A recommendation from the licensure review committee and approval by the state board with no additional requirements set forth; and

(ii) verification that the person meets the requirements of S.B.R. 91-1-204(c)(3)(D).

(f) Any person who has completed an education program from a foreign institution outside of the United States may receive an initial license if, in addition to meeting the requirements for the initial license as stated in S.B.R. 91-1-203, that person submits the following:

(1) An official credential evaluation by a credential evaluator approved by the state board; and

(2) if the person's primary language is not English, verification of passing scores on an English proficiency examination prescribed by the state board. (Authorized by and implementing Article 6, Section 2(a) of the Kansas Constitution; effective July 1, 2003; amended July 1, 2003; amended Aug. 10, 2007; amended July 18, 2008; amended Aug. 28, 2009; amended Aug. 12, 2011.)

#### **91-1-205. Licensure renewal requirements.** (a) Initial licenses.

(1) Any person, within five years of the date the person was first issued an initial license, may apply for renewal of the initial license by submitting an application for renewal of the initial license and the licensure fee.

(2) Any person who does not renew the initial license within five years of the date the initial license was issued may obtain one or more additional initial licenses only by meeting the requirements in S.B.R. 91-1-203 (a). The assessments required by S.B.R. 91-1-203 (a)(1)(C) and 91-1-203 (a)(1)(D) shall have been taken not more than one year before the date of application for the initial license, or the applicant may verify either eight semester hours of recent credit related to one or more endorsements on the initial license or one year of recent accredited experience or may meet the requirements of paragraph (b)(3)(C) or (D) of this regulation.

(3) A person who does not successfully complete the teaching performance assessment during four years of accredited experience under an initial teaching license shall not be issued an additional initial teaching license, unless the person

successfully completes the following retraining requirements:

(A) A minimum of 12 semester credit hours with a minimum cumulative GPA of 2.50 on a 4.0 scale, earned through the verifying teacher education institution and addressing the deficiencies related to the teaching performance assessment criteria; and

(B) following completion of the required credit hours, an unpaid internship supervised by the verifying teacher education institution and consisting of at least 12 weeks, with attainment of a grade of "B" or higher.

(4) A person who does not successfully complete the school specialist or school leadership performance assessment during four years of accredited experience shall not be issued an additional initial school specialist or school leadership license, unless the person successfully completes the following retraining requirements:

(A) A minimum of six semester credit hours with a minimum cumulative GPA of 3.25 on a 4.0 scale, earned through the verifying teacher education institution and addressing the deficiencies related to the performance assessment criteria; and

(B) following completion of the required credit hours, an unpaid internship supervised by the verifying teacher education institution and consisting of at least 12 weeks, with attainment of a grade of "B" or higher.

(b) Professional licenses. Any person may renew a professional license by submitting the following to the state board:

(1) An application for renewal;

(2) the licensure fee; and

(3) verification that the person, within the term of the professional license being renewed, meets any of the following requirements:

(A) Has completed all components of the national board for professional teaching standards assessment for board certification;

(B) has been granted national board certification;

(C)(i) Has earned a minimum of 120 professional development points under an approved individual development plan filed with a local professional development council if the applicant holds an advanced degree; or

(ii) has earned a minimum of 160 professional development points under an approved individual development plan filed with a local professional development council, including at least 80 points

for college credit, if the applicant does not hold an advanced degree;

(D) has completed a minimum of eight credit hours in an approved program or completed an approved program;

(E) if the person holds an advanced degree, submits to the state board verification of having completed three years of recent accredited experience during the term of the most recent license. Each person specified in this paragraph shall be limited to two renewals; or

(F) if the person is participating in an educational retirement system in Kansas or another state, has completed half of the professional development points specified in paragraph (b)(3)(C).

(c) Accomplished teaching licenses.

(1) Any person may renew an accomplished teaching license by submitting to the state board the following:

(A) Verification of achieving renewal of national board certification since the issuance of the most recent accomplished teaching license;

(B) an application for accomplished teaching license; and

(C) the licensure fee.

(2) If a person fails to renew the national board certificate, the person may apply for a professional license by meeting the renewal requirement for a professional license specified in paragraph (b)(3)(C) or (D).

(d) Substitute teaching license. Any person may renew a substitute teaching license by submitting to the state board the following:

(1) Verification that the person has earned, within the last five years, a minimum of 50 professional development points under an approved individual development plan filed with a local professional development council;

(2) an application for a substitute teaching license; and

(3) the licensure fee.

(e) Provisional teaching endorsement license. An individual may renew a provisional teaching endorsement license one time by submitting to the state board the following:

(1) Verification of completion of at least 50 percent of the deficiency plan;

(2) verification of continued employment and assignment to teach in the provisional endorsement area;

(3) an application for a provisional endorsement teaching license; and

(4) the licensure fee.

(f) Provisional school specialist endorsement license. Any individual may renew a provisional school specialist endorsement license by submitting to the state board the following:

(1) Verification of completion of at least 50 percent of the deficiency plan;

(2) verification of continued employment and assignment as a school specialist;

(3) an application for a provisional school specialist endorsement license; and

(4) the licensure fee.

(g) Any person who fails to renew the professional license may apply for a subsequent professional license by meeting the following requirements:

(1) Submit an application for a license and the licensure fee; and

(2) provide verification of one of the following:

(A) Having met the requirements of paragraph (b)(3); or

(B) having at least three years of recent, out-of-state accredited experience under an initial or professional license.

(3) If a person seeks a professional license based upon recent, out-of-state accredited experience, the person shall be issued the license if verification of the recent experience is provided. The license shall be valid through the remaining validity period of the out-of-state professional license or for five years from the date of issuance, whichever is less. (Authorized by and implementing Article 6, Section 2(a) of the Kansas Constitution; effective July 1, 2003; amended July 1, 2003; amended Aug. 25, 2006; amended July 18, 2008; amended Aug. 28, 2009.)

**91-1-209. Additional endorsements.** (a)

Any person who holds a currently valid teaching, school service, or school leadership license may add additional endorsements to that license by submitting to the state board the following:

(1) Verification from an accredited institution by a unit head or designee of completion of an approved content area program;

(2) verification of successful completion of the appropriate endorsement content assessment prescribed by the state board;

(3) an application for an added endorsement; and

(4) the application fee.

(b)(1) Any person who holds a currently valid teaching license with a science endorsement at

the early adolescence through late adolescence and adulthood level may add an additional science endorsement for that level by submitting to the state board the following:

(A) Verification of successful completion of the appropriate science endorsement content assessment prescribed by the state board;

(B) an application for an added endorsement; and

(C) the application fee.

(2) This subsection shall remain in force and effect only through June 30, 2012.

(c)(1) Any person who holds a currently valid teaching license at any level may add a content area endorsement for the late childhood through early adolescence level by submitting to the state board the following:

(A) Verification from an accredited institution by a unit head or designee of completion of 15 semester credit hours in the content area for which endorsement is sought;

(B) verification of one of the following:

(i) A pedagogy course for the late childhood through early adolescence level; or

(ii) recent accredited experience of one year or more in one of the grades 5 through 8;

(C) verification of successful completion of the appropriate content assessment prescribed by the state board;

(D) an application for an added endorsement; and

(E) the application fee.

(2) Teaching endorsements for adaptive, functional, gifted, deaf or hard-of-hearing, and visually impaired shall not be available under this subsection.

(3) This subsection shall remain in force and effect only through June 30, 2012.

(d)(1) Any person who holds a currently valid teaching license with a content area endorsement at the early adolescence through late adolescence and adulthood level may add an additional content area endorsement for that level by submitting to the state board the following:

(A) Verification from an accredited institution by a unit head or designee of completion of 50 percent or more of an approved content area program, including the content methods course;

(B) verification of successful completion of the appropriate endorsement content assessment prescribed by the state board;

(C) an application for an added endorsement; and

(D) the application fee.

(2) Any person who holds a currently valid teaching license with a content area endorsement at the late childhood through early adolescence level may add the same content area endorsement at the early adolescence through late adolescence and adulthood level by submitting to the state board verification of meeting the requirements specified in paragraph (d)(1).

(3) Teaching endorsements for adaptive, functional, gifted, deaf or hard-of-hearing, and visually impaired shall not be available under this subsection.

(4) This subsection shall remain in force and effect only through June 30, 2012.

(e) (1) Any person who holds a valid out-of-state teaching license with an additional endorsement that was earned by completion of coursework specified by the other state may add that endorsement to the person's Kansas license by submitting to the state board the following:

(A) A copy of the out-of-state license showing the endorsement;

(B) verification that the person completed the specified coursework;

(C) verification of successful completion of the appropriate endorsement content assessment prescribed by the state board or evidence of successful completion of an endorsement content assessment in the state in which the applicant holds a license;

(D) an application for an added endorsement; and

(E) the licensure fee.

(2) This subsection shall remain in force and effect only through June 30, 2012.

July 1, 2003; amended Aug. 10, 2007; amended July 18, 2008; amended July 27, 2012.)

**91-1-216. Procedures for promulgation of in-service education plans; approval by state board; area professional development centers' in-service programs.** (a) An in-service education plan to be offered by one or more educational agencies may be designed and implemented by the board of education or other governing body of an educational agency, or the governing bodies of any two or more educational agencies, with the advice of representatives of the licensed personnel who will be affected.

(b) Procedures for development of an in-service plan shall include the following:

(1) Establishment of a professional development council;

(2) an assessment of in-service needs;

(3) identification of goals and objectives;

(4) identification of activities; and

(5) evaluative criteria.

(c) Based upon information developed under subsection (b), the educational agency shall prepare a proposed in-service plan. The proposed plan shall be submitted to the state board by August 1 of the school year in which the plan is to become effective.

(d) The plan shall be approved, approved with modifications, or disapproved by the state board. The educational agency shall be notified of the decision by the state board within a semester of submission of the plan.

(e) An approved plan may be amended at any time by following the procedures specified in this regulation.

(f) Each area professional development center providing in-service education for licensure renewal shall provide the in-service education through a local school district, an accredited non-public school, an institution of postsecondary education, or an educational agency that has a state-approved in-service education plan. (Authorized by and implementing Article 6, Section 2(a) of the Kansas Constitution; effective July 1, 2003; amended Aug. 28, 2009.)

**91-1-230. Institutional accreditation and program approval definitions.** (a) "Academic year" means July 1 through the following June 30.

(b) "Annual report" means a document that an institution submits to the commissioner on a yearly basis in which the information specified by

the commissioner concerning unit standards and operations, programs offered by the unit, and statistical data is presented.

(c) “Approved,” when used to describe a teacher education program, means that the program meets the program standards prescribed in regulations adopted by the state board.

(d) “Approved with stipulation,” when used to describe a teacher education program, means that the program has deficiencies in meeting the program standards prescribed in regulations adopted by the state board that the institution shall correct before being approved.

(e) “Commissioner” means the state commissioner of education or the commissioner’s designee.

(f) “Evaluation review committee” means the standing committee of the teaching and school administration professional standards board, or its successor, that is responsible for making accreditation and program approval recommendations to the state board.

(g) “Focused visit” means the on-site visit to a teacher education institution that has limited accreditation or accreditation with conditions by the state board and is seeking full accreditation.

(h) “Full accreditation” means the status assigned to a teacher education institution that is determined through a focused visit to meet substantially the accreditation standards adopted by the state board.

(i) “Initial visit” means the first on-site visit to a teacher education institution that is seeking accreditation for the first time from the state board.

(j) “Institutional candidate” means the designation assigned to an institution that is seeking accreditation for the first time and that has met the accreditation preconditions specified by the state board.

(k) “Institutional candidate visit” means an on-site visit that takes place following the designation of institutional candidate status to a teacher education institution.

(l) “Institutional report” means a document that describes how a teacher education institution meets the accreditation standards adopted by the state board.

(m) “Limited accreditation” means the status assigned to a teacher education institution that is determined through an initial visit to meet substantially the accreditation standards adopted by the state board.

(n) “Not approved,” when used to describe a

teacher education program, means that the program fails substantially to meet program standards adopted by the state board.

(o) “Program report” means a written document that describes coursework, assessment instruments, and performance criteria used in a program to achieve the program standards established by the state board.

(p) “Progress report” means a written document that addresses the stipulations that are noted if a new program is approved with stipulation.

(q) “Review team” means a group of persons appointed by the commissioner to review and analyze reports from teacher education institutions and prepare reports based upon the review and analysis.

(r) “State board” means the state board of education.

(s) “Student teaching” means preservice clinical practice for individuals preparing to become teachers.

(t) “Teacher education institution” and “institution” mean a college or university that offers at least a four-year course of study in higher education and maintains a unit offering teacher education programs.

(u) “Teacher education program” and “program” mean an organized set of learning activities designed to provide prospective school personnel with the knowledge, competencies, and skills to perform successfully in a specified educational position.

(v) “Upgrade report” means a written document that addresses the stipulations noted if an existing program is approved with stipulation. (Authorized by and implementing Article 6, Section 2(a) of the Kansas Constitution; effective Aug. 6, 2004; amended Aug. 12, 2011.)

### **91-1-231. Procedures for initial accreditation of teacher education institutions.**

(a) Statement of intent. Each teacher education institution that desires accreditation by the state board shall submit a written statement of its intent to seek accreditation to the commissioner at least 24 months before the institution desires to have its initial visit. Upon receipt of this statement, the initial visit shall be scheduled by the commissioner.

(b) Preconditions.

(1) At least three semesters before the initial visit, the teacher education institution shall submit to the commissioner a preconditions report ad-

dressings each of the preconditions specified by the state board.

(2) Upon receipt of a preconditions report, the report shall be referred by the commissioner to the appropriate committee of the standards board. The committee shall review the report and determine whether all of the preconditions have been met.

(3) If all of the preconditions have been met, the committee shall recommend to the commissioner that the institution be designated an institutional candidate.

(4) If the committee determines that the preconditions have not been met, the committee shall notify the institution of the committee's determination and shall advise the institution that it may submit, within 30 days of the notice, additional or revised documentation for consideration by the committee.

(5) If additional or revised documentation is submitted, the committee shall review the documentation and make a final recommendation to the commissioner.

(6) The final determination of whether the preconditions are met shall be made by the commissioner. If the preconditions are met, the institution shall be designated as an institutional candidate.

(c) Institutional candidate visit. Following designation as an institutional candidate, an institutional candidate visit shall be scheduled by the commissioner. If it is determined, based upon the institutional candidate visit, that an institution has the ability to meet the requirements of a teacher education institution, the institution may submit programs for approval and proceed with a self-study and institutional report.

(d) Limited accreditation.

(1) To attain the status of limited accreditation, an institution shall schedule an initial visit for the institution with the commissioner and submit an institutional report that shall be in the form and shall contain the information prescribed by the commissioner. The institutional report shall be submitted at least 60 days before the date of the initial visit scheduled for the institution.

(2) After the initial visit, the institution shall be either granted limited accreditation or denied accreditation following the procedure set forth in K.A.R. 91-1-232.

(3) Each institution shall retain the status of limited accreditation for three academic years, unless the status is changed by the state board.

(4) For licensing purposes, each institution that is granted limited accreditation shall be deemed to have full accreditation.

(e) Full accreditation.

(1) (A) Any institution that has been granted limited accreditation from the state board may apply for full accreditation by scheduling a focused visit of the institution with the commissioner and submitting an institutional report that shall be in the form and shall contain the information prescribed by the commissioner.

(B) Each institution shall schedule the focused visit to be completed at least one year before the institution's limited accreditation expires.

(C) Each institution shall submit its institutional report at least 60 days before the date of the focused visit to the institution.

(D) After the focused visit, the institution shall be either granted full accreditation or denied accreditation following the procedures set forth in K.A.R. 91-1-232.

(2) Subject to subsequent action by the state board, the full accreditation of any teacher education institution shall be effective for seven academic years. However, each teacher education institution granted full accreditation by the state board shall submit an annual report to the commissioner on or before July 30 of each year.

(f) Renewal of accreditation. Any institution may request renewal of its accreditation status by following the procedures specified in K.A.R. 91-1-70a.

(g) Change of accreditation status.

(1) The accreditation status of any teacher education institution may be changed or revoked by the state board if, after providing an opportunity for a hearing, the state board finds that the institution has failed to meet substantially the accreditation standards adopted by the state board, that the institution has made substantial changes to the unit, or that other just cause exists.

(2) The duration of the accreditation status of an institution may be extended by the state board.

(3)(A) If limited or full accreditation of an institution is denied or revoked, the institution shall not admit any new students into its teacher education unit.

(B) The institution may recommend for licensure only those students who complete their programs by the end of the semester in which the accreditation denial or revocation occurs. The institution shall provide written notice to all other students in its teacher education unit at the time

of accreditation denial or revocation that the institution is no longer authorized to recommend students for licensure. (Authorized by and implementing Article 6, Section 2(a) of the Kansas Constitution; effective Aug. 6, 2004; amended Aug. 12, 2011.)

**91-1-232. On-site visits; recommendation; appeal.** (a) On-site visits.

(1) After the scheduling of an initial visit, a continuing accreditation visit, or a focused visit, an on-site review team shall be appointed by the commissioner. The team shall be appointed at least one year before the date of the visit. The chairperson of the on-site review team and the number of on-site review team members shall be designated by the commissioner. An institution may challenge the appointment of a team member only on the basis of a conflict of interest.

(2) In accordance with procedures adopted by the state board, each on-site review team shall examine and analyze the institutional report, review electronic exhibits, conduct an on-site review of the teacher education institution, and prepare reports expressing the findings and conclusions of the review team. The review team reports shall be submitted to the commissioner. The reports shall be forwarded by the commissioner to the evaluation review committee and to an appropriate representative of the teacher education institution.

(3) Any institution may prepare a written response to a review team report. Each response shall be prepared and submitted to the commissioner within a designated time frame following receipt of a review team's report. Each response shall be forwarded by the commissioner to the evaluation review committee.

(b) Recommendation and appeal.

(1) The evaluation review committee, in accordance with procedures adopted by the state board, shall prepare a written initial recommendation regarding the appropriate accreditation status to be assigned to the teacher education institution, which shall include a statement of the findings and conclusions of the evaluation review committee. The recommendation shall be submitted to an appropriate representative of the teacher education institution and to the commissioner.

(2) Within 30 days of the receipt of an initial recommendation of the evaluation review committee, the teacher education institution may submit a written request to the commissioner for a

hearing before the evaluation review committee to appeal the initial recommendation. This request shall specify, in detail, the basis for the appeal, including an identification of each item disputed by the institution.

(3) If a request for a hearing is submitted according to paragraph (b)(2), the evaluation review committee shall conduct a hearing. The committee shall then prepare a written final recommendation regarding the appropriate status to be assigned to the teacher education institution, which shall include a statement of the findings and conclusions of the evaluation review committee. The recommendation shall be submitted to an appropriate representative of the teacher education institution and to the commissioner. The final recommendation shall be submitted by the commissioner to the state board for its consideration and determination.

(4) If a request for a hearing is not submitted within the time allowed under paragraph (2) of this subsection, the initial recommendation of the evaluation review committee shall become the final recommendation of the review committee. The committee's final recommendation shall be submitted by the commissioner to the state board for its consideration and determination. (Authorized by and implementing Article 6, Section 2(a) of the Kansas Constitution; effective Aug. 6, 2004; amended Aug. 12, 2011.)

**91-1-235. Procedures for initial approval of teacher education programs.**

(a) Application.

(1) Each teacher education institution that desires to have any new program approved by the state board shall submit an application for program approval to the commissioner. The application shall be submitted at least 12 months before the date of implementation.

(2) Each institution shall submit with its application a program report containing a detailed description of each proposed program, including program coursework based on standards approved by the state board, and the performance-based assessment system that will be utilized to collect performance data on candidates' knowledge and skills. Each program report shall be in the form and shall contain the information prescribed by the commissioner. The program report shall include confirmation that the candidates in the program will be required to complete the following:

(A) Coursework that constitutes a major in the

subject at the institution or that is equivalent to a major; and

(B) at least 12 weeks of student teaching.

(b) Review team. Upon receipt of a program report, a review team shall be appointed by the commissioner to analyze the program report. The chairperson of the review team shall be designated by the commissioner. The number of review team members shall be determined by the commissioner, based upon the scope of the program to be reviewed. An institution may challenge the appointment of a team member only on the basis of a conflict of interest.

(c) Program review process.

(1) In accordance with procedures adopted by the state board, a review team shall examine and analyze the proposed program report and shall prepare a report expressing the findings and conclusions of the review team. The review team's report shall be submitted to the commissioner. The report shall be forwarded by the commissioner to an appropriate representative of the teacher education institution.

(2) An institution may prepare a response to the review team's report. This response shall be prepared and submitted to the commissioner within 45 days of receipt of the review team's report. The review team's report, any response by the institution, and any other supporting documentation shall be forwarded to the evaluation review committee by the commissioner.

(d) Initial recommendation. The evaluation review committee, in accordance with procedures adopted by the state board, shall prepare a written initial recommendation regarding the appropriate status to be assigned to the proposed program, which shall include a statement of the findings and conclusions of the evaluation review committee. The recommendation shall be submitted to an appropriate representative of the teacher education institution and to the commissioner.

(e) Request for hearing.

(1) Within 30 days of the receipt of an initial recommendation of the evaluation review committee, the teacher education institution may submit a written request to the evaluation review committee for a hearing before the committee to appeal the initial recommendation. This request shall specify, in detail, the basis for the appeal, including an identification of each item disputed by the institution.

(2) If a request for a hearing is submitted, the evaluation review committee shall conduct a hear-

ing. The committee shall then prepare a written final recommendation regarding the appropriate status to be assigned to the proposed program, which shall include a statement of the findings and conclusions of the evaluation review committee. The final recommendation shall be submitted to an appropriate representative of the teacher education institution and to the commissioner. The final recommendation shall be submitted by the commissioner to the state board for its consideration and determination.

(3) If a request for a hearing is not submitted within the time allowed under paragraph (1) of this subsection, the initial recommendation of the evaluation review committee shall become the final recommendation of the review committee. The committee's final recommendation shall be submitted by the commissioner to the state board for its consideration and determination.

(f) Approval status. Each new program shall be approved with stipulation or not approved.

(g) Annual report.

(1) If a new program is approved with stipulation, the institution shall submit a progress report to the commissioner within 60 days after completion of the second semester of operation of the program, and thereafter in each of the institution's annual reports that are due on or before July 30.

(2) Each progress report shall be submitted by the commissioner to the evaluation review committee for its examination and analysis. Following review of the progress report, the evaluation review committee may remove any areas for improvement and change the status to approved until the institution's next program review.

(h) Change of approval status.

(1) At any time, the approval status of a teacher education program may be changed by the state board if, after providing an opportunity for a hearing, the state board finds that the institution either has failed to meet substantially the program standards or has materially changed the program. For just cause, the duration of the approval status of a program may be extended by the state board. The duration of the current approval status of a program shall be extended automatically if the program is in the process of being reevaluated by the state board. This extension shall be counted as part of any subsequent approval period of a program.

(2) At the time of an institution's next on-site visit, the new program shall be reviewed pursuant to K.A.R. 91-1-236.

(3) For licensure purposes, each teacher education program that is approved with stipulation shall be considered to be approved. (Authorized by and implementing Article 6, Section 2(a) of the Kansas Constitution; effective Aug. 6, 2004; amended Aug. 12, 2011.)

**91-1-236. Procedures for renewing approval of teacher education program.** (a) Application for program renewal.

(1) Each teacher education institution that desires to have the state board renew the approval status of one or more of its teacher education programs shall submit to the commissioner an application for program renewal. The application shall be submitted at least 12 months before the expiration of the current approval period of the program or programs.

(2) Each institution shall also submit a program report, which shall be in the form and shall contain the information prescribed by the commissioner. The program report shall be submitted at least six months before the expiration of the current approval period of the program or programs. The program report shall include confirmation that the candidates in the program will be required to complete the following:

(A) Coursework that constitutes a major in the subject at the institution or that is equivalent to a major; and

(B) at least 12 weeks of student teaching.

(b) Review team. Upon receipt of a complete program report, a review team shall be appointed by the commissioner to analyze the program report. The chairperson of the review team shall be designated by the commissioner. The number of review team members shall be determined by the commissioner, based upon the scope of the program or programs to be reviewed. An institution may challenge the appointment of a review team member only on the basis of a conflict of interest.

(c) Program review process.

(1) In accordance with procedures adopted by the state board, each review team shall examine and analyze the program report and prepare a review report expressing the findings and conclusions of the review team. The review team's report shall be submitted to the commissioner. The report shall be forwarded by the commissioner to an appropriate representative of the teacher education institution.

(2) Any institution may prepare a written response to the review team's report. Each response

shall be prepared and submitted to the commissioner within 45 days of receipt of the review team's report. The review team's report, any response filed by the institution, and any other supporting documentation shall be forwarded by the commissioner to the evaluation review committee.

(d) Initial recommendation. The evaluation review committee, in accordance with procedures adopted by the state board, shall prepare a written initial recommendation regarding the appropriate status to be assigned to the program or programs, which shall include a statement of the findings and conclusions of the evaluation review committee. The recommendation shall be submitted to an appropriate representative of the teacher education institution and to the commissioner.

(e) Request for hearing.

(1) Within 30 days of the receipt of an initial recommendation of the evaluation review committee, the teacher education institution may submit a written request to the commissioner for a hearing before the evaluation review committee to appeal the initial recommendation of the committee. This request shall specify, in detail, the basis for the appeal, including an identification of each item disputed by the institution.

(2) If a request for a hearing is submitted, the evaluation review committee shall conduct a hearing. The committee shall then prepare a written final recommendation regarding the appropriate status to be assigned to the program or programs, which shall include a statement of the findings and conclusions of the evaluation review committee. The final recommendation shall be submitted to an appropriate representative of the teacher education institution and to the commissioner. The final recommendation shall be submitted by the commissioner to the state board for its consideration and determination of program approval status according to paragraph (f)(1).

(3) If a request for a hearing is not submitted within the time allowed under paragraph (1) of this subsection, the initial recommendation of the evaluation review committee shall become the final recommendation of the review committee. The committee's final recommendation shall be submitted by the commissioner to the state board for its consideration and determination.

(f) Approval status.

(1) The status assigned to any teacher education program specified in this regulation shall be approved, approved with stipulation, or not approved.

(2) Subject to subsequent action by the state board, the assignment of approved status to a teacher education program shall be effective for seven academic years. However, the state board, at any time, may change the approval status of a program if, after providing an opportunity for a hearing, the state board finds that the institution either has failed to meet substantially the program standards adopted by the state board or has made a material change in a program. For just cause, the duration of the approval status of a program may be extended by the state board. The duration of the approval status of a program shall be extended automatically if the program is in the process of being reevaluated by the state board.

(3)(A) If a program is approved with stipulation, that status shall be effective for the period of time specified by the state board, which shall not exceed seven years.

(B) If any program of a teacher education institution is approved with stipulation, the institution shall include in an upgrade report to the commissioner the steps that the institution has taken and the progress that the institution has made during the previous academic year to address the deficiencies that were identified in the initial program review.

(C) The upgrade report shall be submitted by the commissioner to the evaluation review committee for its examination and analysis. After this examination and analysis, the evaluation review committee shall prepare a written recommendation regarding the status to be assigned to the teacher education program for the succeeding academic years. The recommendation shall include a statement of the findings and conclusions of the evaluation review committee. The recommendation shall be submitted to an appropriate representative of the teacher education institution and to the commissioner. If the institution does not agree with this recommendation, the institution may request a hearing according to the provisions in subsection (e).

(D) For licensure purposes, each teacher education program that is approved with stipulation shall be considered to be approved.

(4) Students shall be allowed two full, consecutive, regular semesters following the notification of final action by the state board to complete a program that is not approved. Summers and interterms shall not be counted as part of the two regular semesters. Students who finish within these two regular semesters may be recom-

mended for licensure by the college or university. (Authorized by and implementing Article 6, Section 2(a) of the Kansas Constitution; effective Aug. 6, 2004; amended Aug. 12, 2011.)

#### Article 31.—ACCREDITATION

**91-31-32. Performance and quality criteria.** (a) Each school shall be assigned its accreditation status based upon the extent to which the school has met the performance and quality criteria established by the state board in this regulation.

(b) The performance criteria shall be as follows:

(1) Except as provided in subsection (d), having met the percentage prescribed by the state board of students performing at or above the proficient level on state assessments or having increased overall student achievement by a percentage prescribed by the state board;

(2) having 95% or more of all students and 95% or more of each student subgroup take the state assessments;

(3) having an attendance rate equal to or greater than that prescribed by the state board; and

(4) for high schools, having a graduation rate equal to or greater than that prescribed by the state board.

(c) The quality criteria shall consist of the following quality measures, which shall be required to be in place at each school:

(1) A school improvement plan that includes a results-based staff development plan;

(2) an external technical assistance team;

(3) locally determined assessments that are aligned with the state standards;

(4) formal training for teachers regarding the state assessments and curriculum standards;

(5) 100% of the teachers assigned to teach in those areas assessed by the state or described as core academic subjects by the United States department of education, and 95% or more of all other faculty, fully certified for the positions they hold;

(6) policies that meet the requirements of S.B.R. 91-31-34;

(7) local graduation requirements that include at least those requirements imposed by the state board;

(8) curricula that allow each student to meet the regent's qualified admissions requirements and the state scholarship program;

(9) programs and services to support student learning and growth at both the elementary and secondary levels, including the following:

- (A) Computer literacy;
- (B) counseling services;
- (C) fine arts;
- (D) language arts;
- (E) library services;
- (F) mathematics;
- (G) physical education, which shall include instruction in health and human sexuality;
- (H) science;
- (I) services for students with special learning needs; and

(J) history, government, and celebrate freedom week. Each local board of education shall include the following in its history and government curriculum:

(i) Within one of the grades seven through 12, a course of instruction in Kansas history and government. The course of instruction shall be offered for at least nine consecutive weeks. The local board of education shall waive this requirement for any student who transfers into the district at a grade level above that in which the course is taught; and

(ii) for grades kindergarten through eight, instruction concerning the original intent, meaning, and importance of the declaration of independence and the United States constitution, including the bill of rights, in their historical contexts, pursuant to L. 2013, ch. 121, sec. 2 and amendments thereto. The study of the declaration of independence shall include the study of the relationship of the ideas expressed in that document to subsequent American history;

(10) programs and services to support student learning and growth at the secondary level, including the following:

- (A) Business;
- (B) family and consumer science;
- (C) foreign language; and
- (D) industrial and technical education; and

(11) local policies ensuring compliance with other accreditation regulations and state education laws.

(d) If the grade configuration of a school does not include any of the grades included in the state assessment program, the school shall use an assessment that is aligned with the state standards. (Authorized by and implementing Article 6, Section 2(a) of the Kansas Constitution and K.S.A.

2013 Supp. 72-1130; effective July 1, 2005; amended Jan. 10, 2014.)

#### Article 40.—SPECIAL EDUCATION

**91-40-1. Definitions.** Additional definitions of terms concerning student discipline are provided in K.A.R. 91-40-33. (a) “Adapted physical education” means physical education that is modified to accommodate the particular needs of children with disabilities.

(b) “Agency” means any board or state agency.

(c) “Assistive technology device” means any item, piece of equipment, or product system, whether acquired commercially off the shelf, modified, or customized, that is used to increase, maintain, or improve the functional capabilities of a child with a disability. The term shall not include any medical device that is surgically implanted or the replacement of the device.

(d) “Assistive technology service” means any service that directly assists a child with a disability in the selection, acquisition, or use of an assistive technology device. This term shall include the following:

(1) Evaluating the needs of a child with a disability, including a functional evaluation of the child in the child’s customary environment;

(2) purchasing, leasing, or otherwise providing for the acquisition of assistive technology devices by children with disabilities;

(3) selecting, designing, fitting, customizing, adapting, applying, maintaining, repairing, or replacing assistive technology devices;

(4) coordinating and using other therapies, interventions, or services with assistive technology devices, including those associated with existing education and rehabilitation plans and programs;

(5) providing training or technical assistance for a child with a disability or, if appropriate, that child’s family; and

(6) providing training or technical assistance for professionals including individuals providing education and rehabilitation services, employers, or other individuals who provide services to, employ, or are otherwise substantially involved in the major life functions of a child.

(e) “Audiology” means the following:

(1) Identification of children with hearing loss;

(2) determination of the range, nature, and degree of hearing loss, including referral for medical or other professional attention for the habilitation of hearing;

(3) provision of habilitative activities, including language habilitation, auditory training, lip-reading, hearing evaluation, and speech conservation;

(4) creation and administration of programs for prevention of hearing loss;

(5) counseling and guidance of children, parents, and teachers regarding hearing loss; and

(6) determination of children's needs for group and individual amplification, selecting and fitting an appropriate aid, and evaluating the effectiveness of amplification.

(f) "Autism" means a developmental disability significantly affecting verbal and nonverbal communication and social interaction, generally evident before age three but not necessarily so, that adversely affects a child's educational performance. Other characteristics often associated with autism are engagement in repetitive activities and stereotyped movements, resistance to environmental change or change in daily routines, and unusual responses to sensory experiences. The term shall not apply if a child's educational performance is adversely affected primarily because the child has an emotional disturbance.

(g) "Blindness" means a visual impairment that requires dependence on tactile and auditory media for learning.

(h) "Board" means the board of education of any school district.

(i) "Business day" means Monday through Friday, except for federal and state holidays unless holidays are specifically included in the designation of business day in a specific regulation.

(j) "Child find activities" means policies and procedures to ensure that all exceptional children, including exceptional children who are enrolled in private schools and exceptional children who are homeless, regardless of the severity of any disability, are identified, located, and evaluated.

(k) "Child with a disability" means the following:

(1) A child evaluated as having mental retardation, a hearing impairment including deafness, a speech or language impairment, a visual impairment including blindness, emotional disturbance, an orthopedic impairment, autism, traumatic brain injury, any other health impairment, a specific learning disability, deaf-blindness, or multiple disabilities and who, by reason thereof, needs special education and related services; and

(2) for children ages three through nine, a child who is experiencing developmental delays and, by

reason thereof, needs special education and related services.

(l) "Consent" means that all of the following conditions are met:

(1) A parent has been fully informed of all information relevant to the activity for which consent is sought, in the parent's native language or other mode of communication.

(2) A parent understands and agrees in writing to the carrying out of the activity for which consent is sought, and the consent describes that activity and lists the records, if any, that will be released and to whom.

(3) A parent understands the following:

(A) The granting of consent is voluntary on the part of the parent and may be revoked at any time.

(B) If the parent revokes consent, the revocation is not retroactive and does not negate an action that has occurred after the consent was given and before the consent was revoked.

(C) The parent may revoke consent in writing for the continued provision of a particular service or placement only if the child's IEP team certifies in writing that the child does not need the particular service or placement for which consent is being revoked in order to receive a free appropriate public education.

(m) "Counseling services" means services provided by qualified social workers, psychologists, guidance counselors, or other qualified personnel.

(n) "Day" means a calendar day unless otherwise indicated as business day or school day.

(o) "Deaf-blindness" means the combination of hearing and visual impairments that causes such severe communication and other developmental and educational needs that the needs cannot be accommodated in special education programs solely for the hearing impaired or the visually impaired.

(p) "Deafness" means a hearing impairment that is so severe that it impairs a child's ability to process linguistic information through hearing, with or without amplification, and adversely affects the child's educational performance.

(q) "Developmental delay" means such a deviation from average development in one or more of the following developmental areas that special education and related services are required:

(1) Physical;

(2) cognitive;

(3) adaptive behavior;

(4) communication; or

(5) social or emotional development.

The deviation from average development shall be documented and measured by appropriate diagnostic instruments and procedures.

(r) "Department" means the state department of education.

(s) "Early identification and assessment of disabilities" means the implementation of a formal plan for identifying a disability as early as possible in a child's life.

(t) "Educational placement" and "placement" mean the instructional environment in which special education services are provided.

(u) "Emotional disturbance" means a condition exhibiting one or more of the following characteristics over a long period of time and to a marked degree that adversely affects a child's educational performance:

(1) An inability to learn that cannot be explained by intellectual, sensory, or health factors;

(2) an inability to build or maintain satisfactory interpersonal relationships with peers and teachers;

(3) inappropriate types of behavior or feelings under normal circumstances;

(4) a general pervasive mood of unhappiness or depression; or

(5) a tendency to develop physical symptoms or fears associated with personal or school problems. The term shall include schizophrenia but shall not apply to children who are socially maladjusted, unless it is determined that they have an emotional disturbance.

(v) "Evaluation" means a multisourced and multidisciplinary examination, conducted in accordance with applicable laws and regulations, to determine whether a child is an exceptional child and the nature and extent of the special education and related services that the child needs.

(w) "Exceptional children" means children with disabilities and gifted children.

(x) "Extended school year services" means special education and related services that are provided to a child with a disability under the following conditions:

(1) Beyond the school term provided to non-disabled children;

(2) in accordance with the child's IEP; and

(3) at no cost to the parent or parents of the child.

(y) "Federal law" means the individuals with disabilities education act, as amended, and its implementing regulations.

(z) "Free appropriate public education" and

"FAPE" mean special education and related services that meet the following criteria:

(1) Are provided at public expense, under public supervision and direction, and without charge;

(2) meet the standards of the state board;

(3) include an appropriate preschool, elementary, or secondary school education; and

(4) are provided in conformity with an individualized education program.

(aa) "General education curriculum" means the curriculum offered to the nondisabled students of a school district.

(bb) "Gifted" means performing or demonstrating the potential for performing at significantly higher levels of accomplishment in one or more academic fields due to intellectual ability, when compared to others of similar age, experience, and environment.

(cc) "Hearing impairment" means an impairment in hearing, whether permanent or fluctuating, that adversely affects a child's educational performance but that does not constitute deafness as defined in this regulation.

(dd) "Homebound instruction" means the delivery of special education and related services in the home of a child with a disability.

(ee) "Hospital instruction" means the delivery of special education and related services to a child with a disability who is confined to a hospital for psychiatric or medical treatment.

(ff) "Independent educational evaluation" means an examination that is obtained by the parent of an exceptional child and is performed by an individual or individuals who are not employed by the agency responsible for the education of the child but who meet state and local standards to conduct the examination.

(gg) "Individualized education program" and "IEP" mean a written statement for each exceptional child that meets the requirements of K.S.A. 72-987, and amendments thereto, and the following criteria:

- (2) learn the skills necessary to move effectively and safely from place to place within various environments, including at school, home, and work, and in the community.

(yyy) "Visual impairment" means an impairment in vision that, even with correction, adversely affects a child's educational performance. The term shall include both partial sight and blindness.

(zzz) "Vocational education" means any organized educational program that is directly related to the preparation of individuals for paid or unpaid employment, or for additional preparation for a career requiring other than a baccalaureate or advanced degree. (Authorized by and implementing K.S.A. 2008 Supp. 72-963; effective May 19, 2000; amended March 21, 2008; amended July 23, 2010.)

**91-40-27. Parental consent.** (a) Except as otherwise provided in this regulation, each agency shall obtain parental consent before taking any of the following actions:

- (1) Conducting an initial evaluation or any reevaluation of an exceptional child;
- (2) initially providing special education and related services to an exceptional child; or
- (3) making a material change in services to, or a substantial change in the placement of, an exceptional child, unless the change is made under the provisions of K.A.R. 91-40-33 through 91-40-38 or is based upon the child's graduation from

high school or exceeding the age of eligibility for special education services.

(b) When screening or other methods used by an agency indicate that a child may have a disability and need special education services, the agency shall make reasonable and prompt efforts to obtain informed consent from the child's parent to conduct an initial evaluation of the child and, if appropriate, to make the initial provision of services to the child.

(c) Unless a judicial order specifies to the contrary, each agency shall recognize the biological or adoptive parent of an exceptional child who is a minor as the educational decision maker for the child if the parent exerts the parent's rights on behalf of the child, even if one or more other persons meet the definition of parent for the particular child.

(d) An agency shall not construe parental consent for initial evaluation as consent for the initial provision of special education and related services to an exceptional child.

(e) An agency shall not be required to obtain parental consent before taking either of the following actions:

- (1) Reviewing existing data as part of an evaluation, reevaluation, or functional behavioral assessment; or
- (2) administering a test or other evaluation that is administered to all children, unless before administration of that test or evaluation, consent is required of the parents of all children.

(f)(1) If a parent of an exceptional child who is enrolled or is seeking to enroll in a public school does not provide consent for an initial evaluation or any reevaluation, or for a proposed material change in services or a substantial change in the placement of the parent's child, an agency may, but shall not be required to, pursue the evaluation or proposed change by initiating due process or mediation procedures.

(2) If a parent of an exceptional child who is being homeschooled or has been placed in a private school by the parent does not provide consent for an initial evaluation or a reevaluation, or fails to respond to a request to provide consent, an agency shall not pursue the evaluation or reevaluation by initiating mediation or due process procedures.

(3) An agency shall not be in violation of its obligations for identification, evaluation, or reevaluation if the agency declines to pursue an

evaluation or reevaluation because a parent has failed to provide consent for the proposed action.

(4) Each agency shall document its attempts to obtain parental consent for action proposed under this regulation.

(g) An agency shall not be required to obtain parental consent for a reevaluation or a proposed change in services or placement of the child if the agency has made attempts, as described in K.A.R. 91-40-17(e)(2), to obtain consent but the parent or parents have failed to respond.

(h) An agency shall not use a parent's refusal to consent to an activity or service to deny the parent or child other activities or services offered by the agency.

(i) If, at any time after the initial provision of special education and related services, a parent revokes consent in writing for the continued provision of all special education, related services, and supplementary aids and services, the following shall apply:

(1) The agency shall not continue to provide special education, related services, and supplementary aids and services to the child but shall provide prior written notice in accordance with K.A.R. 91-40-26 before ceasing the provision of those services.

(2) The agency shall not use the procedures in K.S.A. 72-972a or K.S.A. 72-996, and amendments thereto, or K.A.R. 91-40-28, including the mediation procedures and the due process procedures, in order to obtain an agreement or a ruling that the services may be provided to the child.

(3) The agency shall not be considered to be in violation of the requirement to make FAPE available to the child because of the failure to provide the child with further special education services, related services, and supplementary aids and services.

(4) The agency shall not be required to convene an IEP team meeting or develop an IEP under K.S.A. 72-987, and amendments thereto, or K.A.R. 91-40-16 through K.A.R. 91-40-19 for the child for further provision of special education, related services, and supplementary aids and services.

(j) If a parent revokes consent in writing for the child's receipt of all special education and related services after the child is initially provided special education and related services, the agency shall not be required to amend the child's education records to remove any references to the child's

receipt of special education and related services because of the revocation of consent.

(k) If a parent revokes consent for the continued provision of particular special education, related services, supplementary aids and services, or placements, or any combination of these, and the IEP team certifies in writing that the child does not need the service or placement for which consent is being revoked in order to receive a free appropriate public education, the following shall apply:

(1) The agency shall not continue to provide the particular special education, related services, supplementary aids and services, and placements for which consent was revoked but shall provide prior written notice in accordance with K.A.R. 91-40-26 before ceasing the provision of the particular special education, related services, supplementary aids and services, and placements.

(2) The agency shall not be considered to be in violation of the requirement to make FAPE available to the child because of the failure to provide the child with the particular special education, related services, supplementary aids and services, or placements, or any combination, for which parental consent was revoked.

(l) If a parent who revoked consent for all special education, related services, and supplementary aids and services under subsection (i) subsequently requests that the person's child be reenrolled in special education, the agency shall conduct an initial evaluation of the child to determine whether the child qualifies for special education before reenrolling the child in special education. If the team evaluating the child determines that no additional data are needed to make any of the determinations specified in K.A.R. 91-40-8(c)(2), the agency shall give written notice to the child's parent in accordance with K.A.R. 91-40-8(e)(2). If the child is determined to be eligible, the agency shall develop an initial IEP. (Authorized by K.S.A. 2008 Supp. 72-963; implementing K.S.A. 2008 Supp. 72-988; effective May 19, 2000; amended May 4, 2001; amended March 21, 2008; amended July 23, 2010.)

#### **Article 42.—EMERGENCY SAFETY INTERVENTIONS**

**91-42-1. Definitions.** As used in this regulation and in K.A.R. 91-42-2, each of the following terms shall have the meaning specified in this regulation: (a) "Chemical restraint" means the use

of medication to control a student's violent physical behavior or restrict a student's freedom of movement.

(b) "District" means a school district organized under the laws of this state that is maintaining a public school for a school term pursuant to K.S.A. 72-1106, and amendments thereto. This term shall include the governing body of any accredited nonpublic school.

(c) "Emergency safety intervention" means the use of seclusion or physical restraint when a student presents an immediate danger to self or others. Violent action that is destructive of property may necessitate the use of an emergency safety intervention.

(d) "Mechanical restraint" means any device or object used to limit a student's movement.

(e) "Physical escort" means the temporary touching or holding the hand, wrist, arm, shoulder, or back of a student who is acting out, for the purpose of inducing the student to walk to a safe location.

(f) "Physical restraint" means bodily force used to substantially limit a student's movement.

(g) "School" means any physical learning environment, including any nonprofit institutional day or residential school and any accredited nonpublic school, that receives public funding or over which the Kansas state department of education has regulatory authority.

(h) "Seclusion," when used with a student, means that all of the following conditions are met:

(1) The student is placed in an enclosed area by school personnel.

(2) The student is purposefully isolated from adults and peers.

(3) The student is prevented from leaving, or reasonably believes that the student will be prevented from leaving, the enclosed area.

(i) "Time-out" means a behavioral intervention in which a student is temporarily removed from a learning activity without being confined. (Authorized by and implementing Article 6, Section 2(a) of the Kansas Constitution; effective April 19, 2013.)

**91-42-2. Policy, documentation, and reporting requirements.** (a) Each district shall develop and implement written policies to govern the use of emergency safety interventions over all schools. At a minimum, written district policies shall conform to the definitions and requirements of these regulations, including that seclusion and

physical restraint shall be used only when student conduct meets the definition of necessitating an emergency safety intervention. Parents shall be annually provided with the written policies on the use of emergency safety interventions. The written policies shall include the following:

(1) Policies and procedures for the use of emergency safety interventions:

(A) Policies and procedures shall prohibit the following:

(i) The use of prone, or face-down, physical restraint; supine, or face-up, physical restraint; physical restraint that obstructs the airway of a student; or any physical restraint that impacts a student's primary mode of communication;

(ii) the use of chemical restraint, except as prescribed treatments for a student's medical or psychiatric condition by a person appropriately licensed to issue these treatments; and

(iii) the use of mechanical restraint, except those protective or stabilizing devices either ordered by a person appropriately licensed to issue the order for the device or required by law, any device used by a law enforcement officer in carrying out law enforcement duties, and seatbelts and any other safety equipment when used to secure students during transportation; and

(B) written policies developed pursuant to this regulation shall be accessible on each school's web site and shall be included in each school's code of conduct, school safety plan, or student handbook, or any combination of these;

(2) school personnel training consistent with nationally recognized training programs on the use of emergency safety interventions:

(A) Training shall address prevention techniques, de-escalation techniques, and positive behavioral intervention strategies;

(B) training shall be designed to meet the needs of personnel as appropriate to their duties and potential need for emergency safety interventions; and

(C) schools and programs shall maintain written or electronic documentation on training provided and lists of participants in each training;

(3) written parental notification whenever an emergency safety intervention is used. This notification shall be provided within two school days;

(4) documentation of any incident of emergency safety intervention, which shall include the date and time of the intervention, the type of intervention, the length of time the intervention was

used, and the school personnel who participated in or supervised the intervention;

(5) procedures for the collection, maintenance, and periodic review of the use of emergency safety intervention at each school, which shall include the documentation described in paragraph(a)(4); and

(6) local dispute resolution processes. Each district shall develop policies that, at a minimum, shall include the following:

(A) A complaint investigation procedure;

(B) a procedure for parents to present written complaints to the local board of education to initiate complaint investigation by the local board of education; and

(C) a procedure for parents, the school, and the Kansas state department of education to receive written findings of fact and, if necessary, corrective action from the local board of education within 30 days of filing of a complaint by a parent.

(b) Each district shall develop a system to col-

lect and maintain documentation for each use of an emergency safety intervention, which shall include the information described in paragraph (a)(4).

(1) Information maintained by the school shall be compiled and submitted, at least biannually, to the district superintendent or district designee.

(2) Documentation of any school's or district's use of emergency safety intervention shall be provided to the Kansas state department of education upon written request of the Kansas state department of education.

(3) Each district shall report all incidents of emergency safety intervention to the Kansas state department of education by the date and in the form specified by the Kansas state department of education. An annual report shall be provided by the Kansas state department of education to the Kansas state board of education. (Authorized by and implementing Article 6, Section 2(a) of the Kansas Constitution; effective April 19, 2013.)
